Calendar, Dates to Remember

Masters Message:

Brethren,

Though the summer season is still in full swing and I hope you and your families are enjoying it, the (masonically) busier fall season looms large before us.

-Visitations and our LOI are in the calendar as are rehearsals and our upcoming degree. Please try to attend the visitations to support our district officers.

-Plans need to be finalized for our returned presence to the Warner Fall Foliage Festival.

-The windows portion of the lodge renovation underway and as cooler temps come with the fall we will be scheduling some work days at the lodge to complete those cleaning, painting and spruce up project which seem to inhabit every “honey-do” list.

Another opportunity to get together and celebrate the fraternity will occur on Sept 24th with the rededication of the State House cornerstone by Grand Lodge. The opportunity to participate in this rare and historic occasion, show the world who the Freemasons are, and not have to do a whole lot (Grand Lodge does all the heavy lifting ☺).

As always I look forward to seeing everyone in our lodge and out and about at these events.

Karl R. Olson,
Worshipful Master

2016 Renovation Fund Drive Begins...

Our temple needs us. A fund drive is underway to raise funds to repair/improve the building. Items which have been identified are replacing the windows, insulating, and replacing the heating system. Plans are underway to swap out the windows, with the new ones in prior to the Warner Fall Foliage Festival. Please consider a donation to help us meet these goals and make our temple a fit meeting place.
